Basic Hostage Negotiation

Basic Hostage Negotiations

Agenda

This course is designed for corrections and law enforcement personnel who are or will be assigned to take the lead in hostage negotiations.

The course will be physically demanding on the students with very long training days culminating in a 24 hour practical exercise at the end of the course.

The topics covered in the course will include:

- Case studied
- Types of hostage takers
- Types of demands
- Analogy of hostage negotiations
- Hostage/crisis negotiation techniques
- Suicide Intervention
- Team building
- Team Stress
- Hostage Survival

In addition, throughout the course, the students will participate in a variety of role-play situations and practical exercises to hone their skills and practice using the techniques and methods taught.

This course will be taught by experienced hostage negotiators/trainers from Montana and Wyoming Departments of Corrections
